Dear Waterfront Stakeholders:

I would like to take this opportunity to invite you to attend a meeting being sponsored by the Saugus Economic Development Committee concerning the Saugus Waterfront. **The meeting will be held at the Fox Hill Yacht Club, 114 Ballard St., Saugus, MA on Monday, August 19th, 2013 at 7p.m.** The purpose of this meeting is to solicit ideas and receive input on how to make the Saugus Waterfront area (Ballard Street/ Route 107 area) a better place to live, work and recreate. The meeting is open to the public and active participation is encouraged.

We want your input as we go forward in formulating a vision for the Saugus Waterfront area. Once we have developed a consensus on a vision for the waterfront, it is our hope that we can develop a consensus on setting goals and objectives for the area. Finally we hope to develop a strategy coupled with a set of implementable actions that can be achieved over time that will help make our vision and goals for the waterfront a reality.

It is important that we hear from you, the stakeholders, and get your input as we go forward with this planning process. I strongly encourage your participation.

If you have any questions concerning this meeting, please contact the Town's Economic Development Director, Robert Luongo, by email rluongo@saugus-ma.gov or you can contact me directly at the above number or email.

Thank you and we look forward to seeing you on the 19th of August.

Sincerely,

Scott Crabtree
Town Manager
